

SEATTLE OPERA.

YOUR PARKING PASSES FOR THE MERCER STREET AND FIFTH AVENUE GARAGES

Your parking passes look like this

Please refer to your parking passes that were mailed with your season tickets to determine your designated garage. Parking passes are garage specific and cannot be used interchangeably.

ARRIVE EARLY

The Mercer Corridor Construction project will continue to cause traffic congestion and occasional detours during the 2015/16 Season. As there is **no late seating once the music begins**, please allow extra time when traveling to McCaw Hall and plan to arrive 60 minutes early. The construction schedule does change frequently and without advance notice.

For the latest information about traffic please visit www.seattleopera.org/attending and follow the link for Traffic and Transportation.

GARAGE LOCATIONS

The Mercer Street Garage is located at 650 3rd Avenue North directly across the street from McCaw Hall between 3rd and 4th Avenues North on Mercer Street. **Please note there is no longer a garage entrance on Roy Street.**

The Fifth Avenue Garage is located at 516 Harrison Street, Seattle, WA 98109, on the corner of 5th Avenue North and Harrison Street. It is just three blocks from McCaw Hall. This garage is next to the Gates Foundation building. You may enter through the gate located on Harrison Street or the gate located on Republican Street.

PASS EXPIRATION

Your parking pass is not day specific. You can use any pass on any Seattle Opera performance date, from **August 8, 2015 – May 21, 2016**.

ACCESSIBLE PARKING SPACES

Accessible parking is available on the third level of the Mercer Street garage and has direct access to the skybridge and entrance to McCaw Hall. If you require accessible parking but have parking passes to the Fifth Avenue Garage, please call our Ticket Office at 206.389.7676.
